14. The **Flax Pond Race** is a one-race event. Boats will use the self-start procedure described in Note 15. The finish an imaginary line **Due North** of the entrance to Flax Pond. Record your own time, announce your time on VHF 68 and report your time to our club scorer within 72 hours.
15. These races will begin with a "Self Start". Boats will be positioned such that they are south of club mark A and are behind an imaginary line 180 degrees magnetic that intersects the club mark A. The Flax Pond race boats will be positioned to the east of this line. For the Mattituck Race/Cruise, boats will be positioned to the west of this line. At the designated time of the race boats will begin racing and may sail to the course side of the line. Boats will not be penalized for crossing the line during maneuvers prior to the designated start time, but must cross to the course side of the line at or after the designated time of the race. Boats should communicate with one another in order to synchronize to GPS time. One boat can be a designated timekeeper, signaling all that the race has begun.
16. The Mattituck Race/Cruise finish will have to be done on your honor at the Green Can of Roanoke Shoal C "5". You should come within two boat lengths of the buoy, keeping it on your starboard side. Record your time when the buoy is south of your bow and announce your finish time on VHF channel 68 and report your time to your cruise captain.
17. The only restriction is the number of people. Up to two people with no restriction on gender or age. Self-steering and spinnakers are permitted. This series is a best 3 out of 4 event. If one race is abandoned or otherwise not sailed, the series will be 2 out of 3. Beyond that the remaining 2 races will be scored as individual races.

START NIGHT Returns!

7:00PM

Start Night 1 - Tuesday, May 25

Start Night 2 - Tuesday, June 8

The plan is to practice your starting techniques and strategy. Multiple starts will be run in accordance with RRS 26. The intention is to have about 8 practice starts. The start format will follow the 'typical weeknight PHRF fleet' sailing instructions in the yearbook. There will be only one division denoted by Class Flag 1. The race committee will monitor VHF channel 68. Announcement of premature starters will be attempted via VHF.

Start Night is open to all M.S.S.A. members. First Gun (warning) will be at 7:00 PM in the vicinity of Mark O.

After the start yachts are to sail 150 yards upwind. An imaginary mark may be indicated by range and bearing posted on a course board on the committee boat. The race committee will indicate to racers the end of the practice start by hoisting of the "AP" postponement flag with its requisite 2 sounds. Yachts should then return to the pre-start side of the starting line by going "round-the-ends". The race committee shall begin the next practice start by lowering of the "AP" flag with its requisite 1 sound. The warning sound of the next start will be 1 minute later.

A keep away mark may be attached to the stem of the race committee boat and shall be considered an extension of the race committee boat.

Formal protests will not be accepted for "Start Night".

Please have Fun and Come join Us

** For those interested in committee boat experience please take advantage of this opportunity by volunteering to go out with the race committee for one of these evenings!
